I am very honored to be asked to run for a position on the Board of Governors. Since my first interaction with the CBA in the summer of 1997 (S.L.I.P. participant), I have continued my

commitment to give back to the Bar that has given so much to me. I have enjoyed working on special projects and task forces, serving as Chair to a number of Committees and working with CBA staff on events. As an active member since my admission in 2005, I believe the Board of Governors should represent the population of lawyers it serves. As a result, I promise to share my ideas, thoughts and beliefs based on my professional, personal and community experience to strengthen the CBA. Thank you for this opportunity and I look forward to continuing my service to the CBA.

I have loved being on the CBA Board of Governors! As a sole practitioner I believe I will look out for the interests of small and solo firms, and try to bring issues concerning small firms and solo to the Board table. My practice has also benefitted from advertising with the CBA ColumbusLawyerFinder.com, and I would encourage practitioners to consider it for their practice growth and development.

After serving the CBA as a committee chair for the past two years, I am honored to be nominated for the CBA Board of Governors. One year ago, I made the transition from practicing law with a larger law firm to the world of the solo practitioner. With that insight, I believe that I can advance the apparent aim of the CBA leadership and staff to keep the CBA relevant to a broad segment of Central Ohio's legal community.
