

## Columbus Bar Leadership Academy Registration Form

The shortest path to leadership in Columbus is a direct one. Learn **practical, concrete and effective techniques for building relationships** to help you meet your professional goals, **at the feet of today's leaders, side by side with tomorrow's.**

Four condensed sessions will prepare you **to turn nebulous concepts like 'business development,' 'networking' and 'community involvement' into attainable short-term goals.** Complete all four sessions, in any order, to earn a Columbus Bar Leadership Academy Certificate. The certificate tells **your employers, clients, colleagues and others that you're invested in your local community.**

Register online at [www.cbalaw.org](http://www.cbalaw.org), or register by mail with registration form below. **Dinner is included** for your convenience. **Space is limited- please register early if you plan to attend.** You will be notified if your application has arrived after the session has been filled. If you miss a session you have registered for, you may transfer your payment to another session, or request a refund subject to a \$10 cancellation fee.

**You DO NOT have to complete the sessions in order- you will graduate when you complete all four sessions, in any order.** See reverse side for a description of the sessions offered and Frequently Asked Questions.

### Session Offerings-

To earn a certificate you must attend each of the four sessions offered. You may register for all four at once, or register for one session at a time. **Please mark only one date for each session offered.**
