

CyberCare®

Each LawyerCare® policy includes CyberCare coverage, providing your firm with \$25,000/\$25,000 of cyber risk protection. You can choose to purchase a higher limit of \$250,000.

- **Enterprise Privacy and Confidentiality**—Provides coverage for legal liability arising from data breaches, including loss of personally identifiable information or confidential information. Coverage applies to loss occurring at your law firm or at any outsourced vendor providing services to your firm.
- **Crisis/Incident Response**—Provides you with access to a dedicated panel of experts to help navigate the breach response process from start to finish, including legal advice, technical forensics, notification, credit monitoring, identify theft remediation, and public relations.
- **Regulatory Defense, Fines, and Penalties***—Provides coverage for regulatory investigations, fines, and penalties arising from a wrongful act, such as data breaches, computer attacks, or loss of client data.
- **Computer Attacks**—Provides coverage for legal liability arising from computer attacks, such as hackers, viruses, or denial of service attacks.
- **Damage to or Loss of Client Data**—Provides coverage for legal liability in the event of damage to or loss of a client's electronic data.
- **24-hour Access to Claims Reporting and Data Breach Services**—Provides toll-free 24-hour access to claims reporting and data breach services.
- **Cyber Loss Control Tools**—Provides web access to cyber risk assessment tools and loss prevention materials.

For details or clarification on information provided here, please call your local agent.

** Coverage may not be available in your state.*
