PERSONAL STATEMENT:

Pick Flowers!

I am honored to seek reelection to the Columbus Bar Association Board of Governors and grateful for the opportunity to continue serving a legal community that has shaped both my career and my life.

What I value most about our profession is its people and its sense of community. I have had the unique opportunity to experience the legal system from multiple vantage points—beginning my career as a court bailiff and, over time, earning my place as an attorney. That journey has given me a deep appreciation for every role that contributes to the administration of justice and a strong belief that a thriving legal community depends on mutual respect, mentorship, and shared responsibility.

My commitment to service began early. At just 19 years old, I served as an Athens City Councilmember, where I learned the importance of listening, collaboration, and principled leadership. Those early lessons continue to guide my approach to public service and professional involvement.

Within the Bar, I am proud to serve as Chair of the Professional Ethics Committee. In that role, I have worked closely with attorneys across practice areas to address complex ethical issues and to help uphold the professionalism that defines our work. This experience has reinforced my belief that ethics, accountability, and continued education are foundational to supporting one another and maintaining public trust in our profession. I seek reelection because I genuinely enjoy and believe in this legal community—and because I want to continue giving back to a profession that welcomed me, challenged me, and helped me grow.

Serving on the CBA Board has affirmed how thoughtful leadership and engaged members can strengthen our community and ensure it remains supportive, inclusive, and forward-looking.

I humbly ask for your support in my candidacy for the CBA Board of Governors. If re-elected, I promise to continue building upon the legacy of the Columbus Bar Association and to work to ensure that our legal community remains vibrant, inclusive, and supportive for generations to come. Thank you for your consideration, and I look forward to serving alongside you in pursuit of our shared goals.
