PERSONAL STATEMENT:

I have been a member of the Columbus Bar Association since 1982 and my service to the Association over this period includes sitting on the Judicial Screening Committee, several terms on the Professional Ethics and Grievance Committee and appointment to the Admissions Committee. I continue to serve on the Judicial Screening and Admissions Committees. I will have completed 44 years of an active trial practice this fall—a practice with an emphasis in white collar criminal defense, professional liability defense and complex business litigation. Over the years, I have also served as a special prosecutor, special counsel to the Ohio Attorney General and court-appointed receiver. I would like to continue giving service to the Association.
